

Development Review Planner

We are currently seeking a Development Review Planner. Candidate will work with our planning and municipal services group providing support on subdivision and site plan reviews, planning board activities, and general planning services. Minimum qualifications include a planning degree with a minimum of 3-5 years of experience. Skills desired for this position include a strong knowledge of site plan elements, familiarity with State Environmental Quality Review (SEQR), NYSDEC and MS4 stormwater regulations, comprehensive plans, and zoning regulations. Candidate should be proficient in Word and Excel and have excellent writing skills. AutoCAD and/or GIS skills are a plus. Successful candidates will be self-starters with good communication skills and the ability to work well in a team environment. Individuals may also be expected to represent the firm in meetings and conferences with clients, regulatory agencies, and officials of other organizations.
